

Meeting Int. del Castello 2010

Standard times

Dear Friends,
chers Amis,
liebe Sportfreunde,
cari Amici,

We don't want to have a marathon swimming meet! Therefore we have to put standard times on all the 200m, 400m and the 800m and 1500m freestyle, so that we can handle the meeting in a suitable timetable.

Nous ne voulons pas avoir un meeting-marathon! C'est bien pour ça que nous devons mettre des temps limites pour les 200m, 400m, 800m et les 1500m libre, afin de pouvoir garder des horaires "normaux".

Wir wollen in keinem Fall ein Marathon-Meeting haben. So müssen wir Limitezeiten bei allen 200m, 400m, 800m und 1500m Freistil einsetzen, sodass wir das Meeting in einer angenehmen Form durchführen können.

Non vogliamo in nessun caso avere un meeting maratona che ci tenga incollati alla piscina troppo a lungo; per questo abbiamo definito dei tempi limiti di partecipazione nei 200, 400, 800 e 1500m stile libero.
